FROM THE PRINCIPAL'S DESK

Ms. Kusum Nawal
Principal

Dear parents and dear most students,
Connect not with mobile but with near and dear once.....
Travel miles but don't forget the beginning....
Reach the pinnacle of success but do remember the roots.....
Laugh out loud at the same time make someone else smile.....
Be strong at mind... yet soft at heart....
Remember.... The best exercise i.e. bending down the topic somebody up.
and you will see life would never let you down.
Every word makes us feel that life is so simple...Actually Yes life is pretty simple the concerning part is being simple is so difficult.
Being Happy and Humble costs nothing but gets us to realm of happiness.
Do all the good you can,
At all the place you can,
At all the times you can,
To all the people you can...
And see how beautiful and blissful the life becomes for you and everyone around you.

CELEBRATION AND ACTIVITIES

FRIENDSHIP DAY 6TH AUGUST '2023

A bond that's a lifelong treasure.

Friends are the mischievous, caring constellation in the Galaxy of our lives.

Friendship Day was celebrated on 5th August.

The motto behind the celebration was to make our students realize that Friends are indispensable and indelible part of our lives. A bond of friendship that happens in childhood is everlasting.

The students presented Skits and Dance performance on the theme of the day. In fact, the drizzling and the rain showers instead of dampening their emotions heightened their spirits.

The students made friendship bands to tie around the wrist of their friends, soon it became a matter of competition to see who had the greater number of friendship bands on his/her wrist.

Some of the students tied the friendship bands around their friends-wrists. After all a teacher along with A guide and a mentor is also a friend at times.

Friendship Day Celebration

15th August, 2023

The Independence Day celebration began with a march past by the students followed by the moment that moistens eyes i.e. Hoisting the TRICOLOUR.

There was a beautiful poem rendition with the gestures showing respect for our unsung Heroes.

There were dance performances reflecting the patriotic spirit and Also Pyramid formation was there.

The feather in the cap was presence of two Jawans from BSF, their presence sparked the atmosphere with enthusiasm and vigour, The Event concluded with vote of thanks followed by sweet distribution to the students.

OPEN HOUSE cum PTM- 26/08/2023

Just like A Bridge minimizes the distance...removes the hurdles and Maximises the Outcome.

So does a PTM minimize the lacunas by means of Interaction which in turn optimizes the performance both of the Doer and the Receiver.

In The open house cum PTM parents discussed their child's progress and performance in PT1 and also the ways to improve performance in the future were discussed. There was a great response from the parents. They were eager and concern to see their child's performance and discuss every aspect of his/her learning.

All the Academic and co curricular related issues were discussed in a congenial atmosphere.

It was great to see the response of the parents.

NATIONAL SPORT'S DAY - 29th August' 2023

National Sports Day celebrated to Commemorate the Birth Anniversary of Legend Major Dhyan Chand was well organized for the SIS Students,

Various Inter House Competitions were held for the students.

The sports events were decided as per the age groups i.e., Pre-Primary, Primary and Middle and senior section grades.

BE it lemon race, Relay race, foot ball, Shuttle Race, 100 metre. and 400 metre. race, volley ball every student participated in the respective category. The girls also played football.

Such was the impact that teachers too played with the students.

A fit body nurtures fit mind. Such sports events enhance the performance of students and teach them team spirit, health competition and never ever give up attitude.

Inter House Sports Competitions are the means to instil the spirit of team work, leadership, co-ordination and inculcate importance of sportsmanship and stay humble in victory and accept defeat as a challenge.

29th August 2023 was celebrated at SIS, Mehsana campus with great zeal and enthusiasm.

RAKSHA BANDHAN - 30th August' 2023

Raksha Bandhan was celebrated at Ambasen with BSF Soldiers.

It was an overwhelming moment for everyone present there.

The kids of classes 2nd and 3rd were super excited to tie Rakhee on the wrist of our soldiers who protect not one or two but each one of us.

At the end of the celebration the children gave a grand salute to the soldiers which made them emotional.

The soldiers protect us with an unseen Rakhee woven with threads of courage, valour, sacrifice and selflessness.

A BIG SALUTE TO OUR BROTHERS IN UNIFORM

Teacher's Day - 5th September '2023

Teachers are the Creators, Motivators.... The beacon lights in the voyage of life. In our country the Teachers are put before God... for they enlighten our paths with the light of their knowledge.

Teacher's Day was celebrated to commemorate birth Anniversary of Dr. Sarvapalli Radhakrishna.

The students made beautiful Invitation Card for teachers.

The celebration began with the traditional welcome of teachers by the students.

Teachers were given beautiful and heart touching titles on hand made greeting cards.

The students also presented dance performances and a small skit.

The celebration ended with a performance on Lazy dance having emotional touch when the students bowed to take blessings of the teachers.

Ganesh Chaturthi Celebration 19/09/2023 to 28/09/2023

Ganeshji the Ekdantay, The Vighnaharta was invited to our campus for His 10 days soujourn.

Every day pooja was performed by Teachers and last two days the pooja was performed by students of all the classes.

Visarjan on 28th of September was emotional moment for so many of us and our students. Students brought Prasad from their homes, and the same was offered on banana leaves to Ganpati Bappa.

The whole campus echoed in chorus with Ganpati Bappa Morya.

PARENT'S TALK

We are parents of Keya Sheth, our child is studying in 1st B in Shanti International School, Mehsana. The Teachers of the school is very well educated, and they are truly amazing and adding value to the school as well as to our child future. Our daughter Keya Sheth always come home with happy face and happy mind. School also does extra activity which help our child to grow not only in Education but also in other activities. Thank you to the teachers for their great support in all parameter they do in our children's life.

PARENT'S TALK

The Shanti International School is putting up their sincere efforts to bring out the best in the children be it any area including extra-curricular, sport along with academics. The closure to the outside world and platform given to the children to hone their skills is really boosting up their confidence. The best part is following a curriculum with a perfect blend of modern education and culture/ traditions. We are always thrilled to see the vibrant teachers and their work. Hope for same in future.

TEACHER'S TALK

Indu Rathore
(PRT English)

Education is the most powerful weapon which you can use to change the world" -Nelson Mandela,

Education is very important for personal development as well as for the socio-economic development of our country. Education is important for living life happily. Moreover, it empowers and motivates our mind to conceive the good thoughts and ideas and grow our knowledge day by day.

Education is one of the most important and mandatory elements in the life of a student. It helps the students to do analysis while making important decisions in life.

At SIS we believe in nurturing our students for their better future and growth.

As Abraham Lincoln quoted "The best way to predict the future is to create it".

Under the mentorship of our Principal and the team of experienced faculties, We at SIS(Mehsana) believe in creating future leaders of our nation.

I consider SIS as my second home as I have the liberty as well as transparency to share my views. It has helped me in my interpersonal development. I think everyday is a new day for learning and SIS provides the same comfort for both students and teachers.

It makes me feel proud Seeing my students succeed in any form

In the end I would like to quote "let us remember, one book one pen, one child and one teacher can change the world "

TEACHER'S TALK

Anoop Kumar Jha
PGT (Social Studies)

I want to take a moment to express with some words of encouragement and inspiration. Each one of our students possesses unique talents, abilities, and potential that, when nurtured and developed, can lead to remarkable accomplishments. Moreover, don't be afraid to make mistakes. Learning is a life-long process and making errors is an essential part of the progress. Be patient and keep focus on your goal and we also create a positive and inclusive learning environment in the classrooms.

I feel that schools are the second home for the children and that is why our Shanti International School has taken a vow that we take care of the all-round development of the students. In our school, students are given a democratic environment, so that student openly put their likes, dislikes and doubts in front of their class teacher. At Shanti International School, we value not only academic excellence but also character development. Kindness, empathy, respect, and integrity are the cornerstones of our school's ethos. Treat your fellow students and teachers with respect and understanding. Embrace diversity and celebrate each other's unique qualities. Be a good friend, lend a helping hand, and spread positivity wherever you go. Lastly, I want to remind you to take care of yourselves. Get enough rest, eat healthy meals, and engage in regular exercise. Reach out to your teachers, parents, or counsellors if you ever feel overwhelmed or need someone to talk to. We are here to support you every step of the way. I have great faith in each of you. So, let's make this school year an incredible one, filled with laughter, growth, and wonderful memories. Thank you, and let's make it a fantastic day at Shanti International School! Anoop Kumar Jha PGT (Social Studies)

STUDENTS TALK

Harshvi Patel

Class X

I am studying in Shanti International School. It has been 5 years of experience. SIS is the first place where I have learnt new things. It is the place where new friends are made and those friendships sometimes are carried on throughout life. This school help in learning new things which helps in the growth of a student. My school was complete package that taught me the importance of self-discipline in life. The teaching and non-teaching staff at my school are very polite, they are always ready to help students. I have learnt many things throughout the years because every year science competitions are held that aims at improving the public speaking and the presentation skill at my school. I love attending my school and it's like my second home. SIS is a place where people from different backgrounds and temperaments come together with the purpose to learn. It offers magic in the form of experiments in laboratories, sports in the field, creativity in the art room and more. My school is a part of who I am and it'll always remain the same for my entire life.

STUDENTS TALK

Bhavy Tejpal Zaveri
Class IX

My Name is Bhavy Tejpal Zaveri.

I am a student of class IX, SIS, Mehsana.

I have been studying here since 2022.

In my two years I have found every teacher very helpful and knowledgeable.

The same helping spirit is seen in peer students too.

I enjoy the way the celebrations are planned here and the involvement of students in the same.

All the co-curricular and extracurricular activities like field trips, sports competitions etc add extra gleam to SIS, Mehsana.

Also, EI' s day to day updates regarding important dates are an add to our knowledge.

In this school our principal also comes to teach us and the way she teaches make us learn beyond text book. She is strict when it comes to teaching but other than that she makes us feel so comfortable that we share our problems freely with her. I like my school moon and back.
